## PAKISTAN INDEPENDENCE DAY CELEBRATION AT THE EMBASSY OF PAKISTAN – NORWAY

This year, the Embassy of Pakistan in Norway hosted a grand celebration to mark the 78th Independence Day of Pakistan, bringing together the vibrant Pakistani community, Norwegian friends, diplomats, and dignitaries under one roof.

The ceremony began with the recitation of the Holy Quran, followed by the national flag hoisting by H.E. the Ambassador of Pakistan to Norway, accompanied by the playing of the national anthem. The event hall resonated with patriotic songs, reminding everyone of the sacrifices that led to our nation's independence in 1947.

In his address, the Ambassador highlighted the historic struggle for freedom, paid tribute to the founding fathers, and emphasized Pakistan's strong diplomatic ties with Norway. He also appreciated the contributions of overseas Pakistanis in promoting the positive image of Pakistan abroad.

The celebration included cultural performances by children dressed in traditional green and white attire, reciting poetry and performing national songs. The Embassy arranged a photo exhibition showcasing Pakistan's heritage, natural beauty, and development milestones.

Special stalls featured Pakistani cuisine, handicrafts, and literature, giving Norwegian guests a taste of Pakistan's rich culture. The event concluded with a cake-cutting ceremony and heartfelt prayers for the prosperity and unity of Pakistan.

The Independence Day celebration at the Embassy was not just an occasion to remember history, but also a reminder of the strong bond that connects Pakistanis living abroad with their homeland.
